

CARAVAN SURF CLUB

CONSTITUTION AND BY-LAWS

SECTION 1: MISSION

With the price of gas high, the cost of a motel stay expensive, and with the physical difficulty of individually making a day trip to Ocean City for surfing, many locals are only able to surf a few times during the summer months. Caravan Surf Club represents a low-cost alternative to get surfers to the beach, plus represents a way to stay involved with surfing related activities during the difficult weather conditions we have in the Mid-Atlantic Region during the winter months.

SECTION 2: OFFICERS AND ELECTIONS

It is the expressed intent of this club to be a non-formal club. There shall be a president and a vice-president, both selected and/or elected during the final end of the season party or picnic each year. If no one else wants the job, the same officers will be elected by acclaim each year unless they resign. Within 30 days of resignation a new officer must be re-elected. Elections are held by email voting.

SECTION 3: MANAGEMENT

The duties of the President shall be as follows:

- Serve as the club spokesperson
- Maintain the membership email listing
- Send out weekly surf forecasts and local event announcements
- Attempt to coordinate and participate in rideshares as often as possible
- Interact and maintain communications with other surf clubs

The duties of the Vice-President shall be as follows:

- Maintain a copy of the most recent membership email listing
- Attempt to coordinate and participate in rideshares as often as possible
- Manage club activities for competition events when the club participates
- Collect dues or other fees when required and pay for events that require the collected fees

SECTION 4: MEETINGS

Regular meetings are not a principal focus of the club and as such will be held only in conjunction with other organized club activities. These activities may include surf trips, parties/luau's, surf band festivals, surf films, and participation in other related and supported events.

SECTION 5: DUES

Annual dues are not required to become or remain a member of the club. The only requirement to remain on the email list for membership is occasional participation.
